Big. Bold. Bodacious.

Make Signs & Labels That Command Attention and Get Read

POWERMark™

sign and label maker

BRADY®

Remarkably visible. Unmistakably succinct. And presented with an absolute sense of direction and urgency.

BEFORE & AFTER

That's a message that commands attention, gets read and gets followed. That is one bodacious message.

That's impact. **Impact you create every time you create a custom message using the PowerMark™ sign and label maker from Brady. PowerMark™ is the industrial sign and label maker that lets you make big, bold and bodacious messages — and do it all in color… in minutes… in house.**

There is no substitute for information on a sign or label. Don't settle for anything less.

Lives Can Depend on It

Putting specific safety messages with crystal-clear details at all points of need helps employees, contractors and other plant visitors understand the proper and safe way to go about their business.

Productivity Depends on It

When critical production and maintenance information is placed where it's needed most and where it will be seen, the number of costly errors and mistakes are reduced. Workers are more focused, more effective and more productive.

Profits Depend on It

Having the in-house ability to create signs and labels specific to your processes and applications makes for a safer and more productive work environment — generating benefits that flow directly to your bottom line.

Your Peace of Mind Depends on It

With the help of the PowerMark™ sign and label maker from Brady, you have the ability to create a safer, more productive, more profitable work environment at your fingertips. That's peace of mind.

Big. Bold. Bodacious.

Color Signs and Labels with Impact — Up to 10" Wide!

Make Your Own Big Color Signs in Minutes So They're Loud and Clear!

Print large color custom signs in your own office with the PowerMark™ sign and label maker (Patent No. 6,276,849). You can make professional, 10" industrial-grade labels and signs in just minutes, at huge cost savings.

Size Does Matter

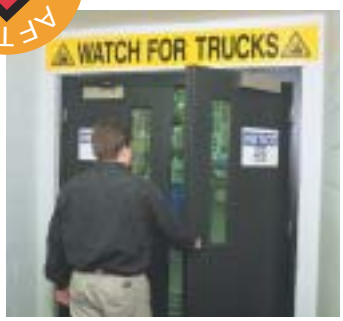
Don't settle for smaller signs that are easily overlooked. Create your own signs from 4" to 10" high, so your message won't be missed.

Show the Colors Of a Professional

Add color to your sign to maximize its impact. With PowerMark™ sign and label maker, you can print up to four colors on one sign — without changing ribbons! Using your PC, your can print up to nine colors without changing ribbons.

Rigid or Flexible Adhesive Signs

Easily mount your PowerMark output to plastic, aluminum or clear panels with the BLS 1200 Laminator, or affix your sign directly to any clean, hard surface — all for savings of over 70% compared to custom-ordered signs.



Hundreds of Uses, Inside and Out.

Best Value

Easy Loading, Long Lasting Tapes

Durable, Indoor/Outdoor Grade Vinyl Tape

Labels adhere well to pipes, walls, equipment, doors... most clean, dry surfaces. Conforms well to irregular, curved or rough surfaces... it even stands up to grease, oil and most industrial chemicals. Five-year average outdoor durability in temperatures from 180°F to -40°F (82°C to -40°C). Tape can be applied as low as 0°F (-I8°C).

Vinyl Tapes – 50 ft. Roll

Size	Catalog Number										
Width	White	Yellow	Red	Blue	Green	Orange	Black	Gold	Grey	Brown	Purple
4"	13538	13539	13540	13541	13542	13543	13544	13545	13546	13547	13548
6"	13549	13550	13601	13602	13603	13604	13605	13606	13607	13608	13609
7"	13651	13652	13654	13656	13655	13653	–	–	–	–	–
8"	13551	13552	13553	13554	13555	13556	13557	13558	13559	13560	13561
10"	13562	13563	13610	13611	13612	13613	13614	13615	13616	13617	13618

High-Performance Polyester Tapes

This ultra-smooth outdoor grade tape is ideal for mounting on sign panels. Its low-halide construction makes it the best choice for labeling on stainless steel and nickel surfaces.

Polyester Tapes – 50 ft. Roll

Size	Catalog No.			
Width	Clear	White	Yellow	Orange
4"	13564	13565	13566	13567
6"	13568	13569	13570	13571
7"	13572	13573	13574	13575
10"	13576	13577	13578	13579

Reflective and Specialty Tapes

Suitable for indoor or outdoor use. Reflective tapes are ideal for reading labels in low light conditions.

Phosphorescent tape enables you to create signs that glow in the dark for added safety in low light conditions.

Reflective and Specialty Tapes – 33 ft. Roll

Size	Catalog No.			
Width	Silver Reflective	Phosphorescent	Tag Stock	Brushed Gold
4"	13580	13581	13583	13584
7"	13585	13586	13588	13589
10"	13590	13591	13593	13594

Rigid Sign Panels

Sign Blanks let you laminate output using the BLS 1200 Laminator. Plastic and aluminum blanks come in white, yellow and orange. Clear acrylic panels have pressure sensitive adhesive (graphics end up protected).

Plastic Panels – Corners Rounded with Holes

Size	Catalog No.		
	White	Yellow	Orange
4.25" x 6.25"	13620	13621	13622
6.25" x 10.25"	13623	13624	13625
10.25" x 14.25"	13626	13627	13628

Aluminum Panels – Corners Rounded with Holes

Size	Catalog No.		
	White	Yellow	Orange
